

## Pay gradually for your next purchase

With Affirm, you can make your purchase right away and split the cost into easy monthly payments.

Just select **Affirm** at checkout

[Shop now](#)

## Buying with Affirm is easy

### Just select **Affirm**

When you check out, select Affirm as your payment method.

### Pay over time

Split your purchase into 3, 6, or 12 easy monthly payments.

### No extra fees

You won't find any costs buried in fine print, not even late fees!

## Pay over time, on your terms

For example, if you made a \$1,000 purchase you might pay \$171.70/mo over 6 months at 10% APR. A down payment may be required.
